## Power Window Relay Location

Check the power window fuses. Consult your Kia owner's manual for the location of the fuse box. Verify that the power window fuses are not blown and are in good condition. Replace if necessary. Step 3. Test the circuits to isolate the problem, if the fuses are okay. Determine which windows are working properly and which windows are not.

window will roll down.

What are the likely culprits, the motor, the switch (it won't roll up from the main switch by the driver or the switch in the rear), the regulator, or something else?
