[I don't say any of this as a Hillary or Bernie supporter I don't like either one of them and didn't vote for either one of them I also didn't vote for Trump, of course ] All that went to hell when Hillary got very sick She may be dying, or not: even now no one can predict things like that

### Implementing shared decision making in the NHS: lessons ...

Challenge 2: "We don't have the right tools" Many clinicians believe that a decision aid will itself enable shared decision making and that decisions cannot be shared without a tool to give their patients A key learning point from the MAGIC programme was that "skills trump tools, and attitudes trump skills"

### Defending Against Various No

- Don't alert any penalty doubles over 1NT This is the standard way to play it
- There is no such thing as a "takeout" double of 1NT You can't have all 4 suits! If you come across an opponent who says that, they are probably playing penalty & have a strong no-trump, and are less experienced
