Based on the DC Comics superhero Batman and written by veteran Batman writer Paul Dini, Arkham Asylum was inspired by the long-running comic book myths. In the game's main storyline, Batman battles his archenemy, the Joker , who instigates an elaborate plot to seize control of Arkham Asylum , trap Batman inside with many of his incarcerated foes, and threaten the fictional Gotham City with hidden bombs.

Batman: Arkham Asylum - Wikipedia

Overall Arkham Asylum is a really great game. Well designed, looks great, plays great and has a story that engages. The characters are full of colour and are well brought to the screen in terms of looks and voice work while the variety in the game-play means I was using my head, my eyes, a stealthy approach and also having button hammering combat - all of which worked very well together and individually.
