Free-Ebooks.net is a platform for independent authors who want to avoid the traditional publishing route. You won't find Dickens and Wilde in its archives; instead, there's a huge array of new fiction, non-fiction, and even audiobooks at your fingertips, in every genre you could wish for. There are many similar sites around, but Free-Ebooks.net is our favorite, with new books added every day.

THE PASSKEY IS "belkin" (all lower case). I would give this dongle five stars, except the passkey was no where in the manual or other literature that came with the product. I guessed it correctly after many tries and google searches. Now you can set it up without the hassle I had, and you can give it five stars, too.
