Between Debt And The Devil

Between Debt and the Devil challenges the belief that we need credit growth to fuel economic growth, and that rising debt is okay as long as inflation remains low. In fact, most credit is not needed for economic growth—but it drives real estate booms and busts and leads to financial crisis and depression.

The Devil and Daniel Webster. I found the movie "The Devil and Daniel Webster" to be an excellent buy. The plot was easy to follow with the character of Jabez Stone, who after running into nothing but bad luck, decides to change his fortunes by making a deal with the devil also known as "Mr. Scratch".
