Lutgens and Tarbuck published their first college text, Earth Science, in 1976. That book, winner of the McGuffey Award from the Text and Academic Authors Association, is now in its 15th edition. In 1983, as the first edition of Earth was being prepared, renowned geoscience illustrator Dennis Tasa joined the author team. Since then the three have collaborated on more than 30 projects as the dominant author team franchise in the physical geosciences.
