2 To document and explain these current trends, Richard Osborne has just released the most perfect book: a history of vinyl that does not neglect aesthetic or interpretative considerations, but focuses also on hard facts, and pays attention to technology, and economics. The fate of vinyl analogue records may seem trivial compared with more momentous issues such as the current turmoil the written press is experiencing, or the implosion of traditional television viewing patterns, but the (his ...

Joan Osborne is an American blues
singer / songwriter, born on July 8, 1962
in Anchorage, Kentucky. Her songs
include country, folk, Motown and
occasionally, rock influences. She is best
known for her song, "One of Us" from
her second album "Relish" released in
1995.

Joan Osborne | Discography | Discogs

The author, naval historian Richard
Osborne, has assembled the words of
many of those involved in order to
investigate the many disputes,
disagreements, and controversies that
arose in 1916 and have never
satisfactorily been resolved to this day.
