ROY F. BAUMEISTER AND MARK R. LEARY need to a wide range of behaviors. Thus, for example, the motive literature has been dominated by research on the respective needs for power, achievement, intimacy, approval, and, to a lesser extent, affiliation. But the need for power may well be driven by the need to belong, as we suggest later.

Roy Baumeister is a social psychologist who explores how we think about the self, and why we feel and act the way we do.

## **Research - Roy Baumeister**

Eminent social scientist Roy F. Baumeister stumbled unexpectedly upon this fundamental aspect of human nature. To find out why financial losses mattered more to people than financial gains, Baumeister looked for situations in which good events made a bigger impact than bad ones. But his team couldn't find any.
