Many students of C will rightly admit that it's not an easy language to learn, but the professional insight,

File Type PDF C Programming Absolute Beginner

clear explanations, examples, and pictures in the Cengage Learning for the Absolute Beginner series make learning C easy and fun.

Programming is not a skill you can acquire by reading; you have to write programs to learn.

File Type PDF C Programming Absolute Beginner Guide

I struggled to learn programming before and went through half a dozen 'beginner's' books, none of which took the time to explain things clearly. C is a great place to start because of its stricter syntax, it will force you to understand the concepts of programming which you can then use to learn higher level languages.
