The Chakras are non-anatomical energy points in our bodies. There are seven main Chakras that go up the body, from the base of your spine to the top of your head, and each Chakra has different emotions and meanings attached to them. The Chakras also have positive and negative archetypes associated with them. What is an a

Archetypes of the Chakras

Creativity is such a natural part of human beings that it can never be completely taken out of us. However, many of us have forgotten what it's like to be creative due to the fact that our creative energy has been buried or ignored for years. If you're lacking creative ideas or feel like you're [...]
