### CIMA Certification Study Materials Review | Wiley CIMA Course

Student resources for the Certificate in Business Accounting. The Certificate in Business Accounting (Cert BA) is CIMA's entry level accounting qualification for students with little or no accounting background. The Certificate in Business Accounting consists of four exams and has two purposes: to serve as an entry route to the Professional Qualification; and to provide a stand-alone qualification for those who require a foundation in the essential elements of accounting and business.
