Educating Our Children for a ...

Ecological Literacy will certainly be of great use to teachers and other educators, but it is equally important for parents to read it. It is about time that this pedagogy got into our schools. As Orr has pointed out repeatedly in recent speeches, the ability to live more sustainably on the earth is no longer technically beyond us.

Ecological Literacy Quotes by Michael K. Stone

Ecological literacy, or eco-literacy, is a term first used by American educator David W. Orr and physicist Fritjof Capra in the 1990s, in order to introduce into educational practice the value and well-being of the Earth and its ecosystems.
