Families In War And Peace

"Families in War and Peace will serve as the foundational text for studies on national family policy in Chile during the nineteenth century. The cases of political reintegration that Chambers has examined in the case of Chile have broader implications for other growing areas of scholarship, such as the transformation of property rights, the increasing use of pardons and amnesty, and the general decline in wartime confiscations in the Americas.

Duke University Press - Families in War and Peace

Overview. In Families in War and Peace Sarah C. Chambers places gender analysis and family politics at the center of Chile's struggle for independence and its subsequent state building. Linking the experiences of both prominent and more humble families to Chile's political and legal history, Chambers argues that matters such as marriage, custody, bloodlines, and inheritance were crucial to Chile's transition from colony to nation.

Families in War and Peace eBook by Sarah C. Chambers ...

In Families in War and Peace: Chile from Colony to Nation, Sarah C. Chambers offers an insightful analysis of the intricate connections between the Chilean state and the family during independence and the following period. By placing women in the political and legal scenes and deconstructing the "family romance" that Chilean men pursued for their own political ends, Chambers provides a luminous interpretation of a time period that has been the domain of traditional political history.
