Elements Landscape - Landscape Design Issaquah WA

Finding plants and features that contrast or complement is basic to a good garden design. Foliage that is lacy in appearance would highlight a plant with more rounded leaves. Consider the year-round appearance of your prospective plants. Color: Color is the most obvious aspect of the landscape and may be the least understood. A well-designed landscape can look good without any color (other than green).

Design Your Landscape - Lowe's

Sit near a tree in the park, or a wall, and gradually edge away, and you'll see how it works. Of course, there are times when the point of a landscape design is a monumental sense of scale or view, but the best gardens, whatever their size, modulate a feeling of enclosure and openness, and this rule will help.
