Navigating through Problem Solving and Reasoning in Grade 4 (with CD-ROM) This book features investigations in each of the five content areas of Principles and Standards for School Mathematics. In addition to using Eratosthenes' sieve to identify prime numbers, fourth graders evaluate algebraic relationships in contracts between theater owners and movie distributors.

Navigating through Problem Solving and Reasoning in Grade ...

Learning through Problem Solving. Some want to skip directly to the ask someone else part of the process above. I can understand why. It's easier. You ask and let another person work on a solution while you go off and do something else. If that's your approach, expect to have the problem again and not know how to solve it.
