People places : design guidelines for urban open space ...

Design Guidelines. In her book *People Places*, Cooper Marcus offers guidelines for the design of public and communal outdoor spaces. They are not prescriptive, however, as she believes strongly that design guidelines should never undermine the creativity of planners or designers.

Clare Cooper Marcus

A Complete Streets approach integrates people and place in the planning, design, construction, operation, and maintenance of our transportation networks. This helps to ensure streets are safe for people of all ages and abilities, balance the needs of different modes, and support local land uses, economies, cultures, and natural environments.

National Complete Streets Coalition | Smart Growth America

The design process known as placemaking expands and promotes the best features of our local places, from a local perspective. It is a process of engaging communities in design interventions to ...
