The argument that privatization is needed for the parks to succeed economically assumes there is a problem. Given that the "profit" we shareholders might expect also includes a healthy contribution to our overall economy, let's examine how the parks are doing. ... WanderLOVE: Harrisonburg Is Adventurous by Nature.

### Should our national parks be privatized?

So it is that private people and private property can be the best of friends to Mother Nature. Indeed, it is becoming increasingly apparent inside and outside the conservation movement that the incentives inherent in privatized affairs are potent motivators that many properties now "publicly owned" could sorely use.
