Re-Thinking International Relations Theory via ...

This book is an effort to re-think international relations (IR) theory, or, more accurately, various theories of IR, yet without suggesting a new paradigmatic 'ism', a synthesis of sorts, or any type of grand theorizing. Rather, the book proposes a new conceptual-operational framework for critiquing and re-thinking IR theories.

Rethinking the absence of post-Western International ...

The transformation of the Eurocentric epistemological base of International Relations, without inadvertently generating a 'derivative discourse' of Western International Relations, requires an intellectual flight over rigid boundaries of Western scientism, thereby reorienting the discipline of International Relations itself towards a post-Western epoch.

Western International ...

In a previous book review for DiploFoundation, Petru Dumitriu described G. R. Berridge's *Diplomacy: Theory and Practice* as 'a Robinson Crusoe's book on diplomacy'. Suppose one is left on a deserted island and allowed only one book to study diplomacy; in that case, Dumitriu recommends *Diplomacy: Theory and Practice*. Without doubt, I wholeheartedly support this recommendation.

Guerrilla Diplomacy: Rethinking International Relations ...

International relations theory is the study of international relations (IR) from a theoretical perspective. It attempts to provide a conceptual framework upon which international relations can be analyzed. Ole Holsti describes international relations theories as acting like pairs of coloured sunglasses that allow the wearer to see only salient events relevant to the theory; e.g., an
