the best defense is a good offense Proactively attacking one's opponents or enemies is the best way to protect oneself, since they will be occupied with defending themselves, rather than attacking. They have a lot of scoring power, so we need to attack the goal early and wear them out. The best defense is a good offense, girls.

### The best defense is a good offense - Idioms by The Free ...

"The best defense is a good offense" is an adage that has been applied to many fields of endeavor, including games and military combat. It is also known as the strategic offensive principle of war. Generally, the idea is that proactivity (a strong offensive action) instead of a passive attitude will preoccupy the opposition and ultimately hinder its ability to mount an opposing counterattack ...
