Starfall's third grade math games focus on multiplication, division, fractions, and shapes, and align with Common Core State Standards: 3.OA.A.1 (groups of objects ...

3rd Grade Math, Learning Games | Starfall

In math, volume can be defined as the 3-dimensional space enclosed by a boundary or occupied by an object. Here, the blocks and books take up space. Finding the volume of an object can help us to determine the amount required to fill that object, like the amount of water needed to fill a bottle, an aquarium or a water tank.

What is Volume? [Definition, Facts & Example]
